# **The screen printing microbusiness**

- We produce competitively priced, highest quality apparels screen printed by young adults with autism
- Screen printing supports their employment and helps them learn sustainable skills
- We provide design and printing services for your apparels and use only eco-friendly water-based inks

# Our young adults autism are learning to screen print from an industry veteran

*Ryonet® , an industry leader in screen printing supplies, supports our organization*

# By purchasing these shirts, you will support the employment of young adults with autism

# Customers

# Customer Feedback

- “..Love the tees. Very positive feedback from staff”.
- “..Thank you for the bags. Excellent work!!”
- “.... I am very pleased with the tees printed by My Life Learning Center last year. The screen printing continues to display its vibrant colors over 6 months later and the shirt is very soft to the touch. Great craftsmanship and a quality product.”
- “I am writing .....to let you know how well received the items you delivered for my organization were to both my staff and clients. The T-shirts were of high quality, and my wife, who is VERY picky on clothing, remarked they were the finest T-shirts she has seen in some time. In addition, the commemorative ties you provided on very short notice were a real hit with the client we are supporting. I am looking forward to doing more business with your organization in the future.”
- “...Very happy with everything. Thanks!”
- “...under budget and on time”!!

***Thank you for your business!***
